

I Am The Registrar (reprise)

I am the one
Make exception for none
I just like things to run efficiently!

All species face their fate
I'd don't discriminate
No one is special to me!

But they still say!

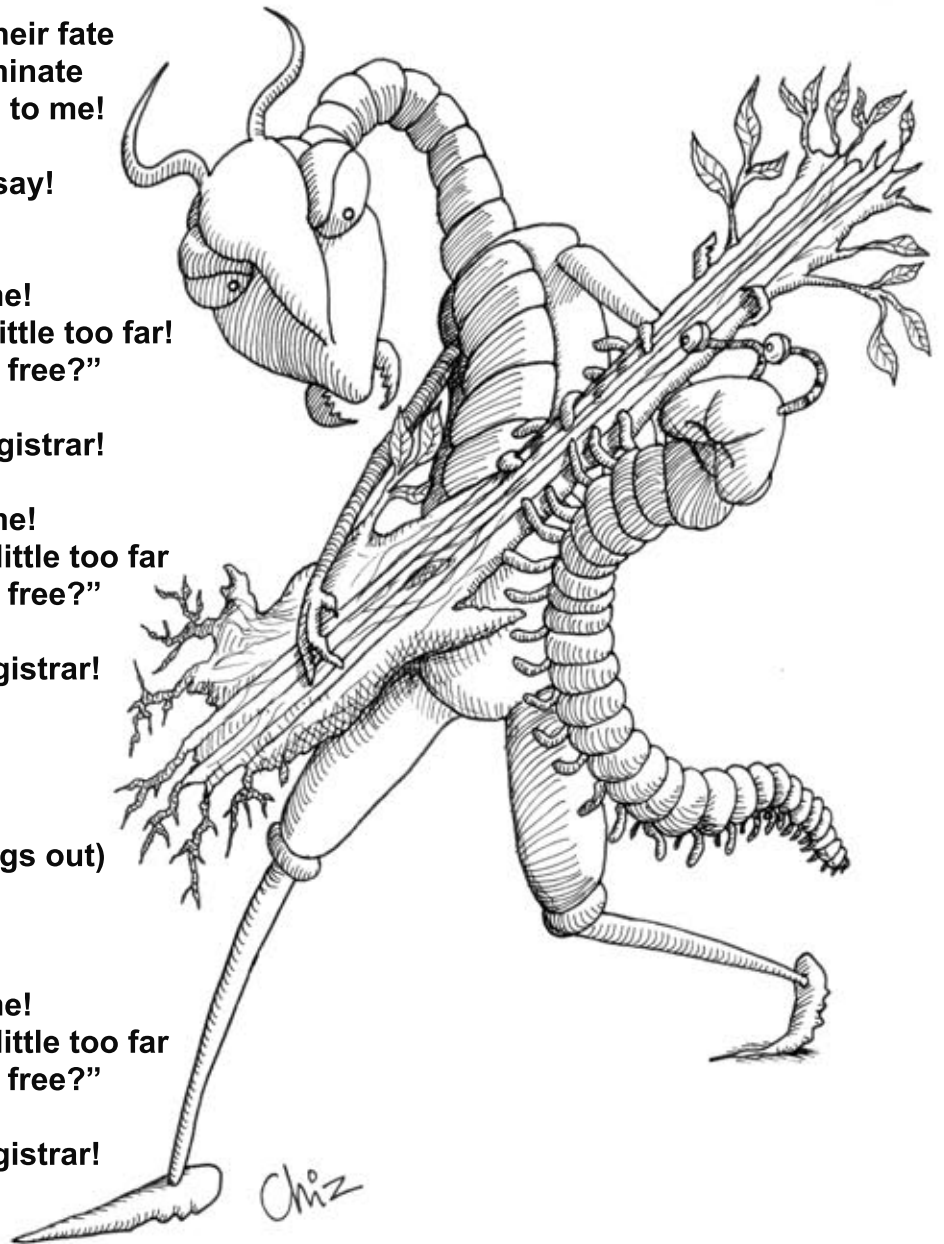

"Oh deary me!
I think we've come a little too far!
Won't you set us free?"
NO!
Coz I am The Registrar!

"Oh deary me!
I think we've come a little too far!
Won't you set us free?"
NO!
Coz I am The Registrar!

(The Registrar wigs out)

"Oh deary me!
I think we've come a little too far!
Won't you set us free?"
NO!
Coz I am The Registrar!

"Oh deary me!
I think we've come a little too far!
Won't you set us free?"
NO!
Coz I am The Registrar!
I am The Registrar
I am The Registrar
