

Lost on Infinity

Well hi!
How do you do?
So glad you've come to stay!
We're here to welcome you
We are the castaways!

*We're lost on Infinity
In the Sea of Tranquillity
It's all up for you and me now!
Coz we are celebrities in lands of eternity
Three cheers for us all!
We don't get sad at all
Lost on Infinity's swirl!*

Come on!
There's lots to do
And the time to dwell!
Goodbye to all you knew
You've kissed the world farewell!

*We're lost on Infinity
In the Sea of Tranquillity
It's all up for you and me now!
Coz we are celebrities in lands of eternity
Three cheers for us all!
We don't get sad at all
Lost on Infinity's swirl!*

(You've kissed the world farewell!)

*We're lost on Infinity
In the Sea of Tranquillity
It's all up for you and me now!
Coz we are celebrities in lands of eternity
Lost on Infinity's swirl!*

*We're lost on Infinity
In the Sea of Tranquillity
It's all up for you and me now!
Coz we are celebrities in lands of eternity
Three cheers for us all!
We don't get sad at all
Lost on Infinity's swirl!*

(You've kissed the world farewell!)
