

# Rockford's Rock Opera (Theme)

Every day  
Watching as the world goes by  
In my room  
Lonely days  
Waiting for the hearts to fly  
With my tunes

But what is that peculiar sound?  
So hurry now he's coming to town!

*So all roll up!  
To Rockford's Rock Opera with me  
Roll up and see  
If you stroll up  
We'll all get together  
Come to Rockford's Rock Opera with me!*

*So all roll up!  
To Rockford's Rock Opera with me  
Roll up and see  
If you stroll up.  
We'll all get together  
Come to Rockford's Rock Opera with me!  
Coz it's Rockford's Rock Opera you see!*

*So all roll up with me*
