

Rockford's Rock Opera (Theme)

Every day
Watching as the world goes by
In my room
Lonely days
Waiting for the hearts to fly
With my tunes

But what is that peculiar sound?
So hurry now he's coming to town!

*So all roll up!
To Rockford's Rock Opera with me
Roll up and see
If you stroll up
We'll all get together
Come to Rockford's Rock Opera with me!*

*So all roll up!
To Rockford's Rock Opera with me
Roll up and see
If you stroll up.
We'll all get together
Come to Rockford's Rock Opera with me!
Coz it's Rockford's Rock Opera you see!*

So all roll up with me
