

Rockford's Christmas Song

Day's dawning on a Christmas morning
For me and you, and Rockford too!
Dreams come to life on Christmas morning
Wassail Away
It's Christmas Day!

But won't you come and see,
what Santa's left under the Christmas tree
Come calling on a Christmas morning with me!

Snow's falling on a Christmas morning
On me and you and Rockford too
In love with life on Christmas morning
Wassail Away
It's Christmas Day!

But won't you come and see,
what Santa's left under the Christmas tree
Come calling on a Christmas morning with me!

La la la la...

But won't you come and see
What Rockford's done under the Christmas tree!
Come calling on a Christmas morning with me!

Come calling on a Christmas morning
With me and you and Rockford too
Remember Me
On Christmas Morning
Wassail Away
It's Christmas Day

But everyone come see,
what Santa's left for you and me!
Come calling on a Christmas morning with me..!
